

H2020 Marie Sklodowska-Curie RISE Project: TRAC – Tailor-made Recycled Aggregate Concretes

Members:

1. UoP (University of Plymouth, UK) – Coordinator, Leader of WP1, 5 & 6
2. CHALMERS (Chalmers University of Technology, Sweden) – Leader of WP2, 3, & 4
3. PNRU (Phranakhon Rajabhat University, Thailand) – Co-leader of WP6
4. TDTU (Ton Duc Thang University, Vietnam) – Co-leader of WP3
5. SZU (Shenzhen University, China) – Co-leader of WP2

TRAC Newsletter – Sept. 2018

Management

1. The project website has been set up: <https://www.h2020-trac.eu/>
2. A LinkedIn group account has been created: <https://www.linkedin.com/groups/12131417/>
3. A Facebook page has been created: https://www.facebook.com/TRAC-Project-245002522999210/?modal=admin_todo_tour
4. A YouTube channel has been created: https://www.youtube.com/channel/UCYzCY9tnMT6Z1JARAH75dyA?guided_help_flow=3
5. A restricted shared folder has been created in Microsoft OneDrive, where only project participants are permitted. The folder is to facilitate communication among project partners before information being published.
6. The first Deliverables (D1.4) has been completed and submitted by the end of July 2018.
7. The pre-financing payment of the project (€270k) has arrived the UoP in August 2018, and €135k has been transferred to CHALMERS on 24th Sep 2018.

Exchange

1. The first exchange has been delivered in July 2018 (Prof Luping Tang from Chalmers visited SZU in July 2018).
2. Dr Boksun Kim (UoP) is planning to visit SZU for 2 weeks in Nov 2018.
3. Dr Shanshan Cheng (UoP) is planning to visit PNRU for one month in Dec 2018.

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement N°777823.

4. Prof Long-yuan Li (UoP) is planning to visit SZU for one month in Dec 2018.
5. Prof Luping Tang (CHALMERS) is planning to visit TDTU for one month in Dec 2018.
6. Dr Natt Makul (PNRU) is planning to visit CHALMERS for four months from Mar 2019 to Jun 2019.
7. Dr Bui Quoc Bao (TDTU) is planning to visit CHALMERS for one month in May 2019.
8. Dr Tran Minh Tung (TDTU) is planning to visit CHALMERS for one month in May 2019.
9. Dr Duc-Hien Le (TDTU) is planning to visit CHALMERS for one month in July 2019.

Research Activities

1. Dr Wei Liu (SZU) is carrying out feasibility researches on using excavated Shenzhen clay as mineral admixture for concrete (WP3 of TRAC project).

Publications

1. Xiaobin Hu, Qinwang Lu, Zihao Xu, Wenliang Zhang, Shanshan Cheng*. Compressive stress-strain relation of recycled aggregate concrete under cyclic loading, Construction and Building Materials (accepted).
